

My Experience at Shradhanand Mahilashram

Kuch din pehele mein Shradhanand Mahilashram mein gaya tha. Ye ek sanstha hai jo 3 tarah ki seva mein judi hui hai. Usme se ek seva aisi hai jo wo Anaath ladkiyo ko 22 saal tak unki padhai ke sath unka dekbaal, palna posna bi karte hai aur jagat mein apna naam kamane .

Waha ke bachho ne accha karyekram kiya jo mujhe bahut accha laga. Lekin usse bhi kahi guna jyada beheter mujhe laga who hai jo sanstha ke log ki seva bhavana se in bachho ki dekhal karna aur usse jyada khud ka paise aur shram lagana. Ye seva apnea ap mein ek bahut uch koti ki seva hai. Toh meine socha kyu nahi iske bare mein kuch pata kare. Jab mein hindi literature padh raha that tab meine ras he bare mein maine bahot suna hai, jaise ki Shringar Ras, Haasya ras, karuna ras, veer ras. Toh aise teeno ki seva ke ras ka kya naam hoga. Ras aise hi paya nahi jata, aur mein soch raha tha ki kyu kyu ras ko nahi paya kyuki ye sirf ras tha. Usse bhi kahi jyada amrut hai aur ye apne aap mein ye shreni hai jo saabse upar hai. Mein inn sab logo ko jho ye niswarth bhavna se kaam karte hai, aise logo ko mein marg dharshan karke, aise logo ke kaam mein paise lagake, mujhe lagta hai unn logo ko hamhe sarv shrest purush stree or manav hone ka kitab ya samman dena chahiye. Mein bhi nanhi kali yani girl child education ko protsahan karta hum, mein khud ladkiyo ko padane ke liye paisa deta hum aur marathon bhagke girl child education me awareness create karta hum aur paisa bhi ikkatta karta hum. Par phir bhi ye bahot choti cheez hai. Lekin jab mein inn logo to dekta hum mein bahot prerit hota hum bahot kuch karne ke liye, humme bahot aur kam karna hai ki aaise logo ka uddhar ho sake aur unke uddhar ke saat saat humara uddhar ho sake. Mein bahut hi prerit hua hu aur samaj ke liye kya aur karu asise soch mein hu
